

## LIST OF CONTENTS

|   | Pages |
|---|-------|
| ABSTRACT .....  | i     |
| PREFACE AND ACKNOWLEDGMENT .....                      | ii    |
| LIST OF CONTENTS .....                                | v     |
| LIST OF TABLE.....                                    | vii   |
| LIST OF APPENDIX.....                                 | viii  |
| <b>CHAPTER I INTRODUCTION</b>                         |       |
| A. Background .....                                   | 1     |
| B. Formulation of Study .....                         | 3     |
| C. Purpose of Study .....                             | 3     |
| D. The Frame of Thinking .....                        | 3     |
| E. Hypothesis .....                                   | 7     |
| F. Procedure of the Data Analysis .....               | 8     |
| <b>CHAPTER II VIEW OF LITERATURE</b>                  |       |
| A. DICTATION .....                                    | 14    |
| A.1 Definitions of Dictation .....                    | 14    |
| A. 2. Types of Dictation .....                        | 15    |
| A. 3. The Benefits and Purposing of Dictation .....   | 17    |
| B. WRITING  |       |
| B.1. Definitions of Writing .....                     | 21    |
| B.2. Purposing and Function of Writing .....          | 21    |
| B.3. Teaching Writing Skill .....                     | 23    |
| C. USING DICTATION                                    |       |
| C.1. Using Dictation n Teaching Writing .....         | 27    |
| C.2. using Dictation to Improve writing Skill .....   | 27    |
| <b>CHAPTER III RESEARCH FINDING AND DATA ANALYSIS</b> |       |
| A. General Description .....                          | 30    |
| 1. The Objectives Condition of MTs YPI Pulosari.....  | 30    |

|   |    |
|---|----|
| 2. Vision and Mission of MTs YPI Pulosari.....    | 33 |
| 3. The Process of Experiment.....                 | 33 |
| 3.1 Preparation.....                              | 34 |
| 3.2 Conducting of Pre-Test .....                  | 37 |
| 3.3 Conducting of Teaching Learning Process ..... | 37 |
| 3.4 Conducting of Post-Test.....                  | 38 |
| 3.5 The Data Analysis.....                        | 40 |
| <br>CHAPTER IV CONCLUSION AND SUGGESTION          |    |
| A. Conclusion.....                                | 59 |
| B. Suggestions .....                              | 60 |
| BIBLIOGRAPHY.....                                 | 62 |
| APPENDIX.....                                     | 64 |
