

ABSTRAK

SYIFA ASH-SHOLIHAT: Pengaruh Model Pembelajaran *Everyone is a Teacher Here* Terhadap Keterampilan Komunikasi Siswa pada Materi Sistem Ekskresi Manusia (Penelitian *Quasi-Eksperimen* pada peserta didik kelas VIII SMP Islam Yapinas Kabupaten Karawang).

Penelitian ini dilatarbelakangi karena belum adanya penggunaan model pembelajaran *Everyone is a Teacher Here* di sekolah tersebut dan masih sering menggunakan metode pembelajaran konvensional dalam penyampaian materi kepada siswanya, karena sejak dulu metode ini digunakan sebagai alat komunikasi lisan antar guru dan siswa dalam proses belajar mengajar. Hal ini membuat siswa kesulitan dalam mengungkapkan ide-ide dan gagasannya dalam bentuk sebuah lisan atau tulisan, dan pasif saat proses pembelajaran. Oleh karena itu, guru perlu menciptakan suasana pembelajaran yang menarik dan menyenangkan yang nantinya diharapkan terjadi peningkatan pada keterampilan komunikasi siswa dengan menggunakan model pembelajaran *Everyone is a Teacher Here*.

Tujuan dari penelitian ini untuk mendeskripsikan keterlaksanaan pembelajaran, menganalisis pengaruh model pembelajaran *Everyone is a Teacher Here* terhadap keterampilan komunikasi siswa, dan menganalisis respon siswa terhadap model pembelajaran *Everyone is a Teacher Here* pada materi sistem ekskresi manusia.

Penelitian ini menggunakan metode *Quasi Experiment* dengan desain penelitian berbentuk *Nonequivalent Control Group Design*. Subjek dalam penelitian ini adalah kelas VIII SMP Islam Yapinas Kabupaten Karawang yang berjumlah 33 orang. Instrumen penelitian terdiri dari lembar observasi, soal esai dan angket.

Hasil penelitian ini menunjukkan bahwa keterlaksanaan guru dan siswa dalam pembelajaran *Everyone is a Teacher Here* diperoleh nilai persentase 90% dan nilai persentase 82,53% dengan kategori sangat baik, keterampilan komunikasi siswa dengan menggunakan model pembelajaran *Everyone is a Teacher Here* diperoleh nilai rata-rata *pre-test* 43,81, rata-rata *post-test* 72,47, respon siswa terhadap pembelajaran *Everyone is a Teacher Here* pada materi sistem ekskresi manusia tergolong dalam kategori kuat dengan persentase 71,63%.

Dapat disimpulkan bahwa pembelajaran *Everyone is a Teacher Here* berpengaruh terhadap keterampilan komunikasi siswa pada materi sistem ekskresi manusia dengan t hitung $5,070 > t$ tabel $1,692$.

Kata kunci: Model Pembelajaran *Everyone is a Teacher Here*, Keterampilan Komunikasi Siswa, Sistem Ekskresi Manusia

ABSTRACT

SYIFA ASH-SHOLIHAT: The influence of everyone's learning model is a Teacher Here on Students' Communication Skills in Human Excretion System Materials (Quasi-Experimental Research on students grade VIII Islamic Junior High School Yapinas Karawang)

This research is motivated because there is no use of learning models. Everyone is a teacher. Here in this school and still often using conventional learning methods in the delivery of material for students, because this method was previously used as an oral communication tool between teachers and students in the teaching and learning process. This makes it difficult for students to express their ideas and thoughts in oral or written form, and the current passive learning process. Therefore, teachers need to create interesting and fun learning that needs to be done to improve student communication by using learning models. Everyone is a Teacher here.

The purpose of the study was to determine the feasibility of learning, to analyze the learning model. Everyone is a teacher. Here, to the students 'communication skills, and to analyze students' responses to the learning model. Everyone is a teacher. Here on the material of the human excretion system.

This study uses a Quasi Experiment method with a design in the form of Nonequivalent Control Group Design. The subjects in this study were class VIII of Yapinas Islamic Junior High School, Karawang Regency, which may have 33 people. The research instrument consisted of observation sheets, essay questions and questionnaires.

The results of this study indicate that the implementation of teachers and students in learning Everyone is a Teacher Here obtained a percentage value of 90% and a percentage value of 82.53% in the very good category, the students' communication skills using the learning model Everyone is a Teacher Here obtained an average value. pre-test 43.81, post-test average 72.47, student responses to learning Everyone is a Teacher Here on the human excretion system material belonged to the strong category with a percentage of 71.63%.

It can be concluded that learning Everyone is a Teacher Here has an effect on students' communication skills on the human excretion system material with t count 5.070 > t table 1.692.

Keywords: Learning Model Everyone is a Teacher here, Communication Skills, Excretion System
