

PREFACE

In the name of Allah, the most Merciful. All praises be to Allah, the lord of the world. I thank to Allah amighty as his guidance and his blessing can help me to finish writing this translation project entitled “101 Tips for Running a Successful Home Business”. I realize that writing this translation project is not an instant process consuming munc energy and mind.

This translation project is submitted to the English Department of Faculty Adab and Humanities to fulfill the requirements for the Diploma III English Program. However, it is still many shortcomings in this paper, far from being perfect. Nevertheless, I have tried to make it better.

Finally, I hope that this translation will be usefull, especially for amateur translator (students as translators) and for all readersespecially for the students of English Department in the state of Islamic University. I enthusiastically welcome the objective criticism and constructive suggestion for the improvement of this translation project.
