

## DAFTAR ISI

|  | Hal                                 |
|--|-------------------------------------|
| LEMBAR PERSETUJUAN .....                           | iii                                 |
| LEMBAR PENGESAHAN .....                            | <b>Error! Bookmark not defined.</b> |
| LEMBAR PERNYATAAN KARYA SENDIRI .....              | ii                                  |
| HALAMAN MOTTO .....                                | iv                                  |
| RIWAYAT HIDUP .....                                | v                                   |
| KATA PENGANTAR.....                                | vi                                  |
| ABSTRAK .....                                      | viii                                |
| ABSTRACT .....                                     | ix                                  |
| DAFTAR TABEL .....                                 | xv                                  |
| BAB I PENDAHULUAN .....                            | 1                                   |
| 1.1. Latar Belakang Masalah .....                  | 1                                   |
| 1.2. Rumusan Masalah.....                          | 3                                   |
| 1.3. Tujuan Penelitian .....                       | 4                                   |
| 1.4. Batasan Masalah .....                         | 4                                   |
| 1.5. Manfaat Penelitian .....                      | 5                                   |
| 1.6. Kerangka Pemikiran .....                      | 5                                   |
| 1.7. Metodologi Penelitian.....                    | 8                                   |
| 1.7.1. Tahap Pengumpulan Data.....                 | 8                                   |
| 1.7.2. Metode Pengembangan Perangkat Lunak .....   | 9                                   |
| 1.8. Sistematika Penulisan .....                   | 10                                  |
| BAB II STUDI PUSTAKA .....                         | 12                                  |
| 2.1 Tinjauan Pustaka.....                          | 12                                  |
| 2.2.1 <i>The State of the Art</i> .....            | 12                                  |
| 2.2 Landasan Teori .....                           | 17                                  |
| 2.2.1 Promosi.....                                 | 18                                  |
| 2.2.2 <i>Markerless</i> .....                      | 19                                  |
| 2.2.3 <i>Algoritma FAST Corner Detection</i> ..... | 19                                  |
| 2.2.4 <i>Augmented Reality</i> .....               | 22                                  |

|   |  |           |
|---|--|-----------|
| 2.2.5   | Android.....   | 23        |
| 2.2.6   | Bahasa Pemrograman C#.....                             | 25        |
| 2.2.7   | Vuforia.....   | 25        |
| 2.2.8   | Software Development Kit (SDK).....                    | 26        |
| 2.2.9   | Unity.....   | 26        |
| 2.2.10  | Metodologi Pengembangan Perangkat Lunak.....           | 27        |
| 2.2.11  | Unified Modeling Language (UML).....                   | 29        |
| 2.2.12  | Diagram UML.....                                       | 31        |
| 2.2.13  | Pengujian Perangkat Lunak.....                         | 33        |
| <b>BAB III ANALISIS DAN PERANCANGAN.....</b>  |  | <b>35</b> |
| 3.1.  | Analisis Sistem.....                                   | 35        |
| 3.2.  | Analisis Masalah.....                                  | 35        |
| 3.2.1.  | Deskripsi Global Aplikasi.....                         | 36        |
| 3.2.2.  | Arsitektur Sistem Aplikasi.....                        | 36        |
| 3.2.3.  | Algoritma <i>FAST Corner Detection</i> .....           | 37        |
| 3.2.4.  | Proses Pembentukan Sistem.....                         | 40        |
| 3.3.  | Analisis Kebutuhan Non Fungsional.....                 | 44        |
| 3.3.1.  | Perangkat Keras ( <i>Hardware</i> ).....               | 44        |
| 3.3.2.  | Perangkat Lunak ( <i>Software</i> ).....               | 44        |
| 3.3.3.  | Pengguna ( <i>Brainware</i> ).....                     | 45        |
| 3.4.  | Analisis Kebutuhan Fungsional.....                     | 45        |
| 3.4.1.  | Kebutuhan Sistem.....                                  | 45        |
| 3.4.2.  | Kebutuhan Data.....                                    | 46        |
| 3.4.3.  | Pemodelan Sistem.....                                  | 46        |
| 3.4.4.  | Perancangan <i>Database</i> .....                      | 53        |
| 3.4.5.  | Perancangan Antarmuka.....                             | 54        |
| <b>BAB IV.....</b>                            |  | <b>57</b> |
| <b>IMPLEMENTASI SISTEM DAN PENGUJIAN.....</b> |  | <b>57</b> |
| 4.1   | Implementasi Aplikasi <i>Augmented Reality</i> .....   | 57        |
| 4.1.1   | Pembuatan Marker.....                                  | 57        |
| 4.1.2   | Penerapan Algoritma <i>FAST Corner Detection</i> ..... | 61        |

|             |   |    |
|-------------|---|----|
| 4.1.3       | Implementasi pada Unity 3D.....                                   | 67 |
| 4.2         | Kriteria gambar yang bisa dijadikan Image target atau marker..... | 72 |
| 4.3         | Testing Aplikasi <i>Augmented Reality</i> .....                   | 75 |
| 4.2.1       | Pengujian Alpha .....   | 75 |
| 4.2.2       | Pengujian Beta.....   | 79 |
| 4.2.3       | Kesimpulan Pengujian.....   | 82 |
| BAB V ..... |   | 83 |
| 5.1         | Kesimpulan .....  | 83 |
| 5.2         | Saran .....   | 83 |
